We write to report that the "NAVEM MONICA" will be drydocked at this port on Monday next, the 25th instant, when Owners state they expect to be in a position to order the ship for Reclassification and Special Surveys.

The same Owners state that the "TAQUY" will drydock immediately after this ship and, Owners will then decide as to whether or not they can convert her to oil fuel and carryout the S.S. or give consideration to requesting a Modified Special Survey, for a 12 month period.

Yours faithfully,
