Dear Sirs,

Steamer "NAVEM MONICA"

In confirmation of my cablegram to you this afternoon, I would explain that the case of this vessel was before the Committee this morning, together with your memorandum of the 4th instant.

The Committee were not prepared to reach a decision in regard to further postponement of the Special Survey, as they were not aware of the reason for the Owners' request, although I informed them that ships are being built for this Company in Poland and there may be some delay. The Committee have, however, instructed me to enquire why the Owners wish to postpone the Special Survey seeing that the year of grace will expire at the end of the present month, and I trust that you will be able to furnish me with this or any other definite information concerning the case before the Committee meet again next Friday.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
RIO DE JANEIRO.
