The Secretary,  
LONDON.

Dear Sir,

I am in receipt of your Classing Letter dated the 3rd instant respecting the m.s. "JULIAN", Malmö Report No.2189, and in reply thereto have to state that the scantlings and arrangements given on the hull report were verified by me with the approved plan. It is regretted that this was not stated at the time the report was forwarded.

As regards the testing of the steel and equipment I beg to point out that the construction of this vessel was commenced more than twelve months prior to the receipt of the instructions contained in your letter dated 22nd February 1943. Your instructions were not applied retrospectively.

I am, Dear Sir,

Yours faithfully,

*S. G. G. G.*
