Dear Sirs,

s.s. "SAMSPELGA"

I am in receipt of your letter of the 6th instant regarding the proposed classification with this Society of the above ship, and, in the circumstances, I enclose a typical First Entry Report of a "Liberty" ship, together with photostat copies of three plans of boilers and data sheets for machinery and pumping arrangements. You should confirm that additional strengthening required by Admiralty Circular 101 (a copy of which is in your possession) has been effected.

Yours faithfully,

The Surveyors,
