Port of Registry Marseilles.

Survey Due Boiler Survey due 7,43.

This vessel is registered at Marseilles, and her last survey was carried out at that port in July 1942.

According to Lloyd's Index she was at Piraeus on July 20th 1943, and since that date no information has been received concerning her.

In the circumstances it is submitted for consideration whether, in view of the vessel being under enemy control, her class should be omitted from the forthcoming reprint of the Register Book.
