# Lloyd's Register of Shipping.

Port BORDEAUX

25 JUN 1948

21 st June 1948

No 5.491

This is to Certify that I have

Surveyed the Motor Tanker "JOSIAH MACY" 6.408 tons gross, No 26.942 in the register Book, whilst lying afloat at Peulillac, on the 19 th June 1948 & subsequent dates, for after peak and Port & Starboard fresh water tanks under engine room survey & damage to the steering engine electric motor.

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and

that I have Recommended that she be continued in her present class, viz "100 A 1", subject that the after peak & Starboard fresh water tanks being reexamined & all outstanding requirements being dealt with as previously recommended

being fit to carry her usual cargo.

Surveyor to Lloyd's Register.

...ate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed in any circumstances whatever to be held responsible in the Register Book or other publications or any member thereof, or the Surveyor  
...any error of judgment, default or negligence of any of the officers or Agents of the Society."
