Dear Sirs,

MARINE

m.v. "El Buaró"

We transcribe a letter dated 13th. September we have received from H.M. Beausire & Co.:-

" With reference to the above mentioned vessel, we transcribe below an extract from a letter we have just received from the Clerk of the Classification Committee, Lloyd's Register of Shipping, London, for your perusal:-

"..... I think it well to point out that the current cycle of the Continuous Survey of the Oil Engines is somewhat behindhand, and I shall be glad to learn, therefore, what arrangements are proposed for this inspection to be brought up to date."

We shall be obliged if you will advise these people that "El Buaró" is laid up in Guayaquil awaiting an offer for sale. For this reason, the Survey of the Oil Engines is left pending for the time being.

Yours faithfully,
for ANGLO-EQUADORIAN OILFIELDS LTD.,

Field Manager.
