Dear Sir, ANSD.....

I beg to enclose herewith letter dated the 27th July received from the Trade Delegation of the U.S.S.R., regarding the certificates they require in connection with the surveys now completing on the Icebreaker "LAZAR KAGANOVICH". You will see that an unusual number of certificates is required and in the circumstances I shall be glad if you will be so good as to advise me as to what reply is to be made to the Russian Delegation.

Yours faithfully,

H. Sutherland

Principal Surveyor,
London District.

The Secretary,
LONDON.
