Dear Sirs,

We enclose herewith the usual form of request for the assignment of freeboards and would ask you to let us have the necessary certificates connected with the Icebreaker "L. Kaganovich". This Icebreaker was classified by the Register of Shipping of the U.S.S.R. and that classification expired on the 1st July 1947.

The icebreaker is a steamship intended for navigation under ice conditions and for service in the Arctic ocean.

Apart from the International Load Line Certificate (Freeboard Certificate), we wish to apply for the following certificates:

1. Certificate of sea-worthiness
2. Classification Certificate (British Lloyds 100A.1.)
3. Steering Gear Certificate
4. Anchor Certificate
5. Electrical Installation Certificate
6. Radio Installation Certificate
7. Certificate for Main Engines
- Handwritten notes:*
Certificate B & B1

We would also ask your approval of the following Certificates:

1. Certificate for Crankshafts for main engines
2. Certificate for Auxiliaries
3. Certificate for Boilers.
4. Certificate for Fire-fighting, Bilge and Ballast Mains.
5. Certificate for steam mains and other certificates for new parts and parts subjected to Lloyd's Test after repairs, as well as to seal safety valves and the Boilers and to certify Coded Books.
- Handwritten notes:*
