Refer Dear Mr. Gibbs,

Many thanks for your letter of the 19th instant regarding the amount of the fee charged for the recent survey of damage repairs to the steam trawler "TORONTO".

I felt certain that there was some explanation for the fee being so small, but thought it well to bring the matter under your notice in case you may not have observed it.

With kindest regards,

Yours faithfully,

H.A. Gibbs, Esq.,

HULL.
