Dear Sirs,

Classn.

(H)

I enclose a copy of a letter received from Messrs. Dashwood & Partners Ltd., relative to the Tug "TID NO.106". A copy of my reply is also enclosed, together with a statement detailing the requirements necessary for the reclassification of this vessel as regards the hull.

A complete Special Survey of the machinery should also be held, including the examination of the screwshaft and testing of the main steam pipes.

The British Corporation First Entry books on the hull and machinery are also enclosed.

I shall be glad if you will give the case the necessary attention and get in touch with Messrs. Dashwood & Partners on the subject as requested in the concluding paragraph of their communication.

Yours faithfully,

Chas. L. Reed

Clerk to the
Classification Committee.

The Surveyors,

SOUTHAMPTON.
