Lloyd's Register of Shipping,  
71, Fenchurch Street,  
LONDON,  
E.C.3.

Dear Sirs,

We have purchased from the Admiralty  
TID Tug No.106 which is now lying at Kemp's Yard, Bitterne,  
Southampton.

This is one of the serial produced type  
built to British Corporation B.S.\* requirements, but as we  
believe was customary with the Admiralty, was not registered  
in this class.

We wish to recondition her and have her  
surveyed for the class for which she was built, and shall  
be glad therefore if you will proceed with this.

We will notify you when the vessel is  
actually on the slip as it is waiting for water at the  
moment adjacent. In the meantime, we should be much obliged  
if you could instruct your Southampton office to indicate  
to us the degree of opening up, etc., required for inspection,  
and let them have authority for us to make an appointment  
with them to go on board for this purpose.

Thanking you for your attention.

Yours faithfully,

for & on behalf of  
DASHWOOD & PARTNERS LTD.,

*C G Sandall*
