26th February, 1958.

ec. No. 217/58.

Messrs. Lloyd's Register of Shipping,
KOBE.

Dear Sirs,

s.s. "NORWAY MARU"

Referring to your letter of 19th of this month, we are planning to convert the above vessel's Engine which is at present Reciprocating Engine with L.P. Turbine to newly made Diesel Engine on this July when new engine will be completed, and at this time we would like to have Special Survey, Tailshaft Survey and Boiler Survey etc.

Accordingly we should be grateful if you would kindly agree to extend the date of the above surveys duly arrive at the end of April and May to July 1958.

Thanking you in advance for your kind acceptance with our request to the matter.

Yours faithfully,

THE FIRST SHIPPING CO., LTD.

(Signed.)

H. Miyamoto, Manager of Technical Dept.
