Dear Sirs:

"TOSCA".

I thank you for your letter of the 5th instant and thank you for your consideration in arranging to forward copies of the plans.

As regards your Second Paragraph, I very much regret if I have done anything which is not in keeping with the rules laid down by your Committee and I really intended my letter to convey to you that the boat was to be withdrawn from Class. I agree that it was not worded clearly in this direction. I had no idea when first negotiating the sale of this ship that she would be withdrawn from Class.

Yours faithfully
