I am, Dear Sir,

Yours faithfully, 5th December, 1933.

Clerk to the
Classification Committee.

Dear Sir,

S. I beg to acknowledge the receipt of your letter of the 2nd instant intimating that you have disposed of your steamer "TOSCA" to Italian buyers who are putting her under the Italian Flag and into the Registro Italiano.

The Committee have had the case under consideration at their meeting to-day and desire me to point out that as the year of grace allowed for the completion of the Second Special Survey No.3 expired at the end of May last, her class has only been allowed to remain undisturbed in the Register Book whilst laid up on the undertaking which you have been good enough to furnish that this survey would be completed before she went to sea. In the circumstances therefore I am directed to say that they have had no alternative but to give instructions for the vessel's class to be expunged from the Register Book with a Red Line indicating non-compliance with the Society's Rules.

As regards your request to be furnished with the plans of profile, midship section and general arrangements, I have to inform you that these are being put in hand and I hope to be in a position to forward the same to you
