NAME **Steel Sc. 3 Mst. Sch. "TOSCA"** Rpt. Sou. No. **14872**

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32).

Surveyor

The class is subject to the port hawsepipe being renewed at the owners' convenience.

The 2nd S.S. No. 3, due 5.32, has been partly held and a proposal to complete same within the year of grace has been agreed to.

Some repairs are required to frames etc. in engine and boiler room.

The Southampton Surveyors now report the vessel placed on a slipway, bottom cleaned and coated and repairs effected to centre bulkhead etc. in the fore peak tank.

Temporary repairs have been effected to the fore peak bulkhead.

The Special Survey has not been advanced at this time.

It is submitted action be deferred.
