The Annual Boiler Survey of this trawler became due in March last. She has recently been sold to a Swedish Owner, who has now informed the Society's Surveyors at Gothenburg that he has placed the vessel under the Swedish Board of Trade and that he desires the class withdrawn from the Society's Register Book.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 28th instant, decided to give instructions for the vessel's character to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owner's request.
