Received from Chief Ship Surveyor

VESSEL'S NAME

"SEDDON."

REPORT

GNS 24541

LON. 117851A

No.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—*Extract from Sub-Committee's Report, 24/5/32.*)

This trawler was built in 1916 -11.

A PERIODICAL SPECIAL SURVEY (C) became due in 2,50.

A notation of "Laid-up Pending Survey" is recorded in the Register Book.

The GRIMSBY Surveyors report (4,51) the SPECIAL SURVEY commenced by the examination of the vessel in dry dock.

The new Owners request in a letter dated 25.4.51, the vessel be withdrawn from Classification.

As the SPECIAL SURVEY is now 14 months overdue the case is submitted for the consideration of the Committee.
