Dear Mr. McMillan,

I have for acknowledgment your letter of the 5th instant reporting the result of Mr. Palmer's visit to Grimsby in connection with the case of the trawler "BELLONA".

The assurance he has obtained from Mr. Gidley is quite satisfactory and I shall glad if you will thank him for this happy result.

The case under review will be submitted to the Classing Committee for deletion of class on Friday next.

With kindest regards,

Yours sincerely,

J. McMillan, Esq.  
HULL.
