

"BELLONA"

This matter has been discussed over the telephone with Mr. Piddington, the Society's Surveyor at Grimsby, and it was pointed out to him that the Consolidated Fisheries Ltd. are good clients of the Society, and in the circumstances it was felt that Mr. McMillan, Principal Surveyor at Hull, should join Mr. Piddington and discuss the question with the Owners' Superintendent to see if any compromise is possible. Mr. Piddington fully agreed with this proposal.

IT IS SUBMITTED the papers be forwarded to Mr. McMillan and he be requested to get in touch with the Grimsby Office and arrange for a joint interview with the Owners' Superintendent regarding this case.
