11- JUL 1947

20th June, 1947.

For the attention of Mr. Gidley.

Dear Sirs,

Steam Trawler "BELLONA"

Further to our recent conversations in connection with the surveys shortly due on the above-named vessel, it is requested that you will be good enough to state when you are prepared to submit the vessel for survey in order that we may reply to an enquiry received from our Secretary at London.

It is pointed out that in view of the recent communication made to you in connection with the resumption of Special Surveys, it is desirable that this should be held on the "BELLONA", but the Committee will not object to class continuance for a further short period on completion of a General Examination.

Yours faithfully,  
The Surveyors,

Per:- (Sgd.) R. S. Piddington.
