11th June, 1948.

Dear Sirs,

I beg to acquaint you that the Society's Surveyor at Malta duly forwarded to this Office for consideration your letter of the 3rd instant regarding the steamer "SAN GIORG M".

As you were informed by our Malta Surveyor, this vessel's class was expunged from the Society's Register Book with a red line in February last, and having regard to her age and to the fact that no Special Survey has been held upon her since 1937, the Committee regret they are unable to agree to your request for a temporary classification for four months, but must ask for compliance with a full Special Survey before any reinstatement of class could be considered.

Yours faithfully,
