

AIR MAIL

6th February, 1948.

Dear Sir,

I duly received your cablegram of the 30th ultimo indicating that the "SAN GIORG M" is now laid up at your port indefinitely, and in view of the fact that the requirements for class maintenance as conveyed to you in my letter of the 19th December last have not been complied with, the Committee today decided to clarify the position in the Society's Register Book by expunging the class of this vessel with a red line indicating non-compliance with the Society's Rules.

You should inform interested parties accordingly and let me know for Register Book purposes whether the Coleiro Navigation Co. Ltd., are still the registered Owners.

Yours faithfully,

J. J. Simmons, Esq.,
MALTA.
