

19th December, 1947.

Dear Sir,

I duly received your memorandum of the 12th instant, with enclosure, respecting the Steamer "SAN GIORG M", and may say that the Owners remarks have been carefully noted.

The case has received the consideration of the Committee at their Meeting today and I am directed to state that as the last Special Survey was carried out so long ago as 1937 they are unable to agree to any postponement of the Special Survey now required and unless the vessel is submitted to Special Survey at once her class will be dealt with without further notice. I shall be glad if you will inform the Owners accordingly and keep me advised of any developments.

Yours faithfully,

Clerk to the  
Classification Committee.

J. J. Simmons, Esq.,

MALTA.
