Dear Sir,

s.s. "ARGENTARIO" (ex "African Queen")

With reference to your letter of the 6th April last and subsequent correspondence concerning the maintenance of the above Vessel's Class with our Society we have, after many enquiries over the past few months, received a letter from the Owners' Representative, Genoa, in which he informs us that the Owners have decided to withdraw the ship's Class from our Register Book.

The Representative's original letter together with a free translation is attached herewith.

For your information the ship is still laid up at Genoa.
