Dear Sirs,

1.(H)

I am in receipt of your letter of the 20th instant respecting the Motorship "AFRICAN QUEEN", the contents of which have been noted, and in reply I have to acquaint you that a Certificate for the proposed voyage may be issued provided that a comprehensive General Examination in accordance with Circular No.1959 is held, all the machinery examined under working conditions, and the Donkey Boiler Survey held if the boiler is to be used on the voyage.

Should you, from your report No.111948, be satisfied, no dry docking will be insisted on in this instance.

A Loadline Renewal Survey should be held in conjunction with the General Examination and a short term Certificate issued for the necessary period.

I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

c.c.Fbd.

Classification Committee.The Surveyors,
