Dear Sirs,

T.S. M.V. "AFRICAN QUEEN".

With reference to your telephonic request today, we have to state that the above vessel has recently been under our survey at this port.

The vessel was examined in drydock and the following were examined and placed in good order :-

- Port and Starboard Tailshafts.
- Propellers.
- Sea Cocks and Valves and outside fastenings.

This vessel will be recommended to have fresh date of drydocking 8.52 with record of TS(OC) P. & S. 8,52.

We enclose herewith duplicate copies of our Certificate No. C.39514 relative to the examination of repairs carried out on the Starboard Donkey Boiler of this vessel.

Yours faithfully,
THE SURVEYORS.
