

M.V. "BADGER" N/N "AFRICAN QUEEN"

A representative of the Colonial Development Corporation, the Owners of the above vessel, (Mr. H.G. Richards, MAYfair 7494 Ext.101), telephoned this office requesting information as to when reclassification would be assigned. He stated that the conversion of the vessel to a factory is now practically completed and that she was undergoing her trials.

It was arranged that enquiry would be made of the Grimsby Surveyors, where the vessel has been under survey, and the Owners advised on receipt of their reply.
