Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

12th December, 1938.

Dear Sir,

Reverting to my letters of the 17th October and 24th ultimo relative to the Steel Auxiliary Twin Screw Schooner Yacht "WESTWARD", I beg to acquaint you that it is observed from the shipping papers that this vessel is at present lying off Southend, and I have to say that provided the Modified Machinery Survey be carried out before the vessel is again placed in commission the Committee will be agreeable to the inspection in question being deferred for the present.

Perhaps you will be good enough to advise me, in due time, when the vessel is to be recommissioned in order that the Society's Surveyors may give the case the necessary attention.

I am, Dear Sir,

Yours faithfully,

H. K. Hales, Esq.,  
Audrey House,  
Ely Place,
