

Aux. Tw. Sc. Yacht "WESTWARD".

The reclassification Survey of this vessel was commenced at Southampton in October, 1935/April, 1936, but the fee of £57.15.0 remained outstanding.

Early this year the vessel came under the inspection of the London Surveyors for completion of the reclassification survey, and on the 14th ultimo a letter was addressed to the Owner stating that in order to expedite the issue of the Freeboard and Classification Certificates it was thought well to enclose an account for the amount of the fees and expenses due.

A cheque for £73.17.0 in settlement of this account was received on the 4th April.

London Report No. 105728 on the completion of the reclassification survey has now come to hand, and it is observed thereon that an additional fee of £2.17.0 has been charged. (D.B.S. £2.2.0 and Expenses 15/-).

It is submitted that in the circumstances of the case this fee of £2.17.0 might be waived.
