QUESTION

ANSWER

Date:—

Further to my memorandum of the 13th September, I shall also be glad to learn the Owners' intentions regarding the Screwshaft Survey, which will become due at the end of November.

At the same time I would refer you to the entry in the Special Reasons List and point out that the limit to examine the donkey boiler shell plate repairs will expire at the end of next month. When this examination has taken place the ship will be entitled to the record 'DBS 4.57'.
