Dear Sir,

M. V. "HOLMDALE".

The following is the copy of a letter received from the Owners of the above named vessel which is self explanatory, except for the fact that the Donkey Boiler Survey is now in hand at this Port.

HOLM & COMPANY LIMITED.

National Insurance Building,
22 Customhouse Quay,
Wellington. C.1. N.Z.,
23rd June, 1953.

Messrs. Lloyds Register of Shipping,
P.O. Box 2129,
WELLINGTON.

Dear Sir,

M. V. "HOLMDALE".

In order to bring the above vessel's survey date back to the end of October each year, we have applied to the Marine Department for, and have been granted, the privilege of putting the ship through a short dated Survey at the end of the month to carry her over until the 31st October, 1953.

We would be pleased if you could grant us the same privilege and thus bringing the Surveys back into line.

We intend opening the donkey boiler for a Marine Department survey towards the end of this week, this boiler will again be due for the annual survey at the end of October.

Should you wish to inspect the boiler this week, would you advise us and we will make arrangements accordingly.

Thanking you.

Yours faithfully,
HOLM & CO. LTD.
