13th December, 1921.

Dear Sir,

I have to inform you that the S.S. "KYLEBEG", Messrs. The Dublin Shipbuilders' No. 17, has been towed to the Clyde where the machinery is to be installed, and to complete the survey for classification the following remains to be done:-

The engine and boiler casings riveted and the hawse pipes fitted.

It is also stated that certain alterations will be carried out.

I shall therefore be glad if you will be good enough to arrange for the case to receive the necessary attention, and on completion of the work to the Surveyors' satisfaction, to forward a report on Form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Secretary,
GLASGOW.
