ANSWER

Date:— Sourabaya, 8th March 1960.—

The Oil Barge "JOAN" as mentioned in previous correspondence has now been sold and now becomes the property of the Droogdok Maatschappij "Soerabaja".

The Manager of this company has informed me that they intend to use this barge as a water tender for the Dry Dock and ships in the port. He also informed that they do not intend to change the classification of the barge and has asked me to you accordingly.—
