With reference to my memorandum of the 11th June last and your reply (undated), also previous correspondence, I shall be glad if you will confirm that the barge is still laid up at your port.

The Oil Barge "JOAN" 215 tons is still laid up at this port at the yard of the N.V. Droogdok Maatschappij "Soerabaja" and is not being used for any purpose.

Negotiations are being made by the Dry Dock to purchase this Oil barge but no final agreement has yet been reached.
