The Secretary.

London.

Dear Sir,

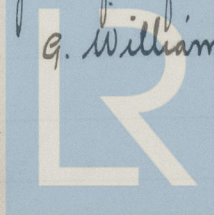

Reverting to my letter of the 18th September last respecting the S. S. N. 1 on the steamer "Locantins", I have to inform you that on the discharge of her cargo I visited the vessel & arranged with the Owner's Representative for the necessary requirements for the survey, he promising to advise me when same had been complied with.

I am now informed that the vessel was required to load a cargo for the U. S. A. ports, & has sailed to Santos for that purpose, no part of the survey in question having been held. The Owners state that on her return from the present voyage arrangements will be made for submitting her for the completion of the S. S. N. 1.

I am, Dear Sir,

Yours faithfully,

G. Williamson.
