Enclosure

7th March, 1947.

LOIERS.

641. SAINTE BERNADETTE. The contents of your air letter of the 15th ultimo are noted and no action has been taken at the present time except to give instructions for the notation "LOCAL Carrying Wine in Portable Tanks "Reclassification contemplated" to be inserted in the Register book. The Owners' proposal to have the deck plating brought up to the required standard by May next if at all possible is approved. The vessel will be eligible for full reclassification together with docking Date of 12,46 and notation S.S. Alg 5,46 (Dr) when the deck plating has been dealt with and bower anchors, stream anchor and chain cable tested, (provided two bower anchors now supplied are of proper weight).

enclose, for your information, an extract from Marseilles Report 10505 dated February last relative to repairs effected to defective rivets and tank side brackets etc, and as it is proposed to fit additional stiffening at your port, I shall be glad if you will give the case the necessary attention.
