Dear Sirs,

I duly received Mr. Sheffer's letter of the 6th ultimo regarding the Steamer "PETRA" now named "PAGENSAND", from which it is noted that she is being converted to a Motorship under the supervision of the Surveyors to the Germanischer Lloyd.

It is understood the Engineers Department have supplied you with duplicate Test Certificates for the information of the new German Owners, but as regards the classification, the Committee have now given instructions for it to be expunged from the Register Book with a Red Line on account of non-compliance with the Rule that all repairs and alterations effected to a classed ship should be carried out under the supervision and the satisfaction of the Society's Surveyors.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
HAMBURG.
