Steamers "AUGSBURG", "GRANDON", "ESTE" & "ILMAR"

It is submitted Mr. Chisholm be advised regarding the application which has been ~~made~~ received for the assignment of Convention freeboards to these ships.

As the Society has not been authorized to assign Convention freeboards to German ships, he should ascertain from the Authorities if it will be in order for the Society's Surveyors to proceed with the survey and he should advise the Society's Surveyors at Bremen accordingly. The usual particulars extracted from previous reports have been sent to the Bremen Surveyors for guidance if required.

He should be reminded that in the case of the "AUGSBURG", freeboard is a condition of the class of the ship in the Society's Register Book, and in the event of freeboards being assigned by the German Authorities, it will be necessary for particulars of the assignment to be submitted for the approval of the Committee.

A copy of the letter should be sent to the Bremen Surveyors.
