# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

11th April, 1928.

Dear Sirs,

I have to acquaint you that to complete the Boiler Survey of the steamer "EDERA", and entitle the vessel to the record BS 1,28, the Donkey Boiler Survey requires to be held.

The Owner has informed the Naples Surveyors that this will be done on the vessel's arrival at Rotterdam this month, and I shall be glad if you will attend to the case accordingly.

At the same time I have to inform you that a proposal of the Owner to carry out the 2nd Special Survey No.3 within the year of grace has been agreed to by the Committee.

I may add that the vessel's class is subject to the main boilers being repaired before the end of June next and the H.P. cylinder bottom being examined at the next Special Survey.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
ROTTERDAM.

Clerk to the  
Classification Committee.
