Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

19th March, 1928.

Dear Sirs,

With reference to your memorandum of the 3rd ultimo relative to the steamer "EDERA", I have to acquaint you that the Boiler Survey of this vessel was partly held at Ancona in January last, and that to complete the same the Donkey Boiler Survey requires to be held.

In the circumstances I shall be glad to learn what arrangements are proposed to be made to complete the inspection in question.

For your information I think it well to add that the Ancona Surveyor recommended that the main boilers be repaired before the end of June next.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

NAPLES.
