Dear Sir,

I return herewith the Duplicate Certificate of Classification of the S.S. "LA PLAYA" as it is incorrect in the matter of the size of the frame angles. These are stated to be $6\frac{1}{2}$ x $3\frac{1}{2}$ x .38 when they are actually 6 x $3\frac{1}{2}$ x .38. The original certificate had the same mistake, but as the Builders urgently required the document it was corrected here and initialled by Mr. Mayne who happened to be in this office. It is regretted that it was omitted to advise you of the alteration.

I am, Dear Sir,

Yours faithfully.
