Dear Sirs,

I have your letter of the 16th April respecting the Motorship "NORD" and note your remarks.

Classn.(H)

There will be no objection to the Special Survey being postponed until June as desired by the Owners.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
GOTHENBURG.

P.S. The ship's class is subject to all main engine crankpins and journals being specially examined and dealt with as necessary before the end of May, and it is concluded that this matter will also receive attention early in June.
