Dear Sirs,

C.

Steamer "NORTHERN EAGLE".

RNC.

I acknowledge receipt of your letter of the 20th instant, and have read your remarks to the Committee here today.

In the circumstances, the Committee have decided to record a notation of "Class withdrawn" against the vessel's name in the Supplement to the Register Book. This notation is the modern equivalent of the old record of "Class expunged - non-compliance with the regulations", and the Committee consider that their action is the correct one, bearing in mind the fact that periodical surveys are long overdue, and are not to be undertaken by this Society.

Yours faithfully,

Clerk to the  
Classification Committee.
