Mr Hendry Superintendent of Messrs Hunting & Sons Ltd
called at this Office on 15th inst & stated that one
of his Company's T2 Tankers (presumably the SS
Hfield) was under survey at Newcastle for
classification of the hull of the vessel.

Mr Hendry stated that the machinery survey
could not be completed but gave no details
of what was now being done in this connection.
It was explained that the Committee would not
withhold the Class on the hull provided the machinery
survey was completed within twelve months of
date assigned for the Special Survey of the hull
