Dear Sir,

m.s. "EMPIRE GROSVENOR"

With reference to Glasgow First Entry Report No.70230 on this vessel, I am desired to say it is concluded additional means are provided for circulating cooling water through the main engine and that a spare lubricating oil pump has been fitted, but I shall be obliged if you will obtain and let me have confirmation of this point.

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
