24th April, 1953.

Enclosure

n.

Dear Sir,

We are in receipt of your letter of the 21st April respecting the Motorships "PARGO" and "GORAZ".

We have recently received a letter from Mr. van der Weel, a copy of which I enclose, from which you will see that the Appeal which Messrs. Arrasto have decided to make is likely to be in progress for some considerable time.

We have had the advantage of discussing the situation in this Office with Mr. van der Weel and having regard to all the circumstances, taking into account the fact that the "PARGO" shortly becomes due for Special Survey, it was decided to submit the case to the consideration of the Committee with a view to their taking appropriate action regarding the ship's classification.

In consequence of this, they have issued instructions for a record of "Class suspended" to be assigned.

Yours faithfully,  
c.c. Mr. van der Weel

Chief Executive.
