Enclosures.

18th March, 1953.

Dear Sir,

With reference to our letter of the 9th March respecting the Trawlers "PARGO" and "GORAZ", we enclose a copy of a communication which has now come to hand from Mr. van der Weel.

We are concerned to resolve the question of the classification of the "PARGO" as soon as we can, but we realise that our approach to the owner must be made with the greatest discretion. We should like to know whether he still feels resentment against us, and if this is so, we want to do what we can to disperse this.

As you will be aware, the Chief Ship Surveyor hopes to visit Portugal shortly and perhaps this may be the best time to approach the owner. We await your views.

Yours faithfully,

Chief Executive.

J. Guthrie, Esq.,  
LISBON.
