

LLOYD'S REGISTER OF SHIPPING,  
ROTTERDAM.

16th March, 1953.

Dear Sir,

"PARGO" and "GORAZ"

I thank you for your letter of the 2nd March and enquired via the Groningen Surveyors how the case really stood.

Today I learned from the Groningen Surveyors that the time limit for Arrasto to appeal for the judgment of the Groningen tribunal has not yet expired and therefore it would be premature to give information about the ownership of the "GORAZ".

The "PARGO" is the property of Arrasto.

I was astonished to see that the classification of "PARGO" still requires consideration, as I was under the impression that the class some time ago had been 'solemnly repudiated' by Arrasto.

I shall keep you informed of developments.

Yours faithfully,

Mr. Van der Weel.

The Secretary,  
LONDON.
