Enclosures

Dear Sir,

(H)

S.S. "GEO. G"

I have your cablegram of the 17th October and in confirmation of my cablegram of today's date, I have to inform you that a Special Survey (D) will become due at the end of November 1959.

The ship's class is subject to 30 fathoms of chain cable being supplied at the earliest opportunity and action has been deferred for examination in dry dock after grounding.

As regards the machinery I enclose for your information a Memorandum which has been drawn up in this office.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
NEW YORK.
